PROFESSIONAL PROFILE

Results-driven QA Engineer and Project Manager with **10+ years** of experience across banking, government, and fintech in Ethiopia. Delivered **60+ enterprise projects** at Awash Bank and INSA — spanning core banking, payment integrations, remittance platforms, ERP, and digital financial services. Deep expertise in test automation, CI/CD, and DevOps combined with strong project management skills.

```
# Daily focus class QAEngineer: name = "Meseret Akalu" | role = "Principal QA · PM · Developer" focus = ["Test Automation", "CI/CD", "Quality Metrics", "Security Testing"] motto = "Quality is not an act, but a habit"
```

💼 PROFESSIONAL EXPERIENCE

Principal Software QA Engineer
Jan 2024 – Present

Awash Bank S.C. — Addis Ababa, Ethiopia

- Lead QA strategy and governance across all digital banking and integration projects.
- Design end-to-end automation frameworks using Selenium, Cypress, and Katalon Studio.
- Conduct performance, security, and regression testing for high-traffic banking systems.
- Embed quality gates into CI/CD pipelines (Jenkins, GitLab CI) and mentor QA teams.

Project Manager
May 2021 – Jan 2024

Awash Bank S.C. — Addis Ababa, Ethiopia

- Managed 30+ enterprise projects: payment integrations, remittance platforms, core banking.
- Applied Agile/Scrum for on-time, on-budget delivery across multi-vendor environments.
- Handled stakeholder expectations, risk management, budgets, and executive reporting.

Senior Project QA Officer
Oct 2019 – Oct 2021

Awash Bank S.C. — Addis Ababa, Ethiopia

- Defined QA standards, conducted risk-based testing, ensured regulatory compliance.
- Managed test environments and coordinated UAT with business stakeholders.

Senior QA Tester & Supervisor
Feb 2016 – Dec 2019

Information Network Security Agency (INSA)

- Automated and manual testing for national government software systems.
- Managed Docker/Kubernetes test environments; used TestLink and Mantis for defect tracking.

Software Developer
Apr 2015 – Apr 2016

Information Network Security Agency (INSA)

- Developed high-availability web applications in Java and PHP within Agile sprints.
- Managed version control and contributed to CI/CD pipeline setup.

🎓 EDUCATION

Bachelor of Science in Computer Science

Mizan Tepi University, Ethiopia

January 2010 – June 2014

3.21

GPA
